History
Notre Dame and Syracuse will be meeting for the seventh time overall and the first time since a 2008 game at Notre Dame Stadium, where the Orange stunned Notre Dame 24-23 to even the series at 3-3.

Notre Dame is one of the most legendary college football programs ever. The Fighting Irish have won 11 National Championships, a record 7 Notre Dame players have won the Heisman trophy, and the program has produced an NCAA record 96 consensus All-Americans and 32 unanimous All-Americans, more than any other university.

Syracuse is the 14th-winningest program in college football. Syracuse has 22 bowl game appearances and has earned invitations to all four Bowl Championship Series Bowl games. With 17 former players and coaches in the College Football Hall of Fame, Syracuse is one of just seven schools with that many representatives. Syracuse has six representatives in the Pro Football Hall of Fame, one of eight schools with at least six alums enshrined.

This is to get a head count. There are 55 seats on the bus. Time and place for pickup will follow. Only Members are $75. If you want to bring a guest then they will be $99. Food will be coordinated when the final list of participants is known.
