REMEMBER, THIS "DAY OF GOLF" EVENT SUPPORTS THE SECTION 8 "ADOPT AN UNDERGRAD PROGRAM". THIS PROGRAM WAS CREATED TO ENCOURAGE AND SUPPORT THE FUTURE OF CIVIL ENGINEERING IN NEW YORK STATE. EACH YEAR, TWO PROMISING YOUNG ENGINEERING STUDENTS ARE AWARDED A TWO YEAR, TWO THOUSAND DOLLAR SCHOLARSHIP TO SUPPORT THEM DURING THEIR JUNIOR AND SENIOR YEARS. THE STUDENTS MUST BE PURSUING A DEGREE IN CIVIL ENGINEERING AT A FULLY ACCREDITED FOUR YEAR COLLEGE OR UNIVERSITY AND MUST MAINTAIN A PRE-DEFINED MINIMUM ACADEMIC STANDING. WE ARE VERY PROUD OF THE FACT THAT MANY OF OUR PAST RECIPIENTS HAVE ALREADY RECEIVED THEIR B.S. IN CIVIL ENGINEERING AND HAVE SUCCESSFULLY ENTERED THE WORKPLACE.
